Pig	-	-															
Goat	1	HH.47															
Chicken and ducks	15	HH No. 4, 8, 12, 14, 28, 30, 32, 41, 47, 50, 51, 52, 55, 56 and 62															

		<p><u>Photos</u></p>  <p>The first photograph on the left shows a dirt path in a rural area. Two brown chickens are in the foreground, one facing left and one facing right. In the background, there are colorful fabrics hanging on a line, a blue door, and some debris. The second photograph on the right shows a dirt area with several ducks. There are four dark-colored ducks and one white duck. They are standing on the ground near a wooden structure, possibly a fence or a shed.</p>
5	Remarks	

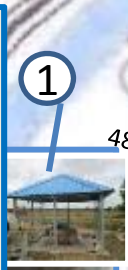

ANNEX.1

As of 11.5.2015

Water is clean and has no sand, no clay and no smell. People use this well for cooking and washing. Sometimes they drink. But It need to be set up a set of a pulley wheel, bucket and a rope for convenience using the well.

The well is in good situation. No smell. Water is clean and people living nearby are using this well. But It need to be set up a set of a pulley wheel, bucket and a rope for convenience using the well.

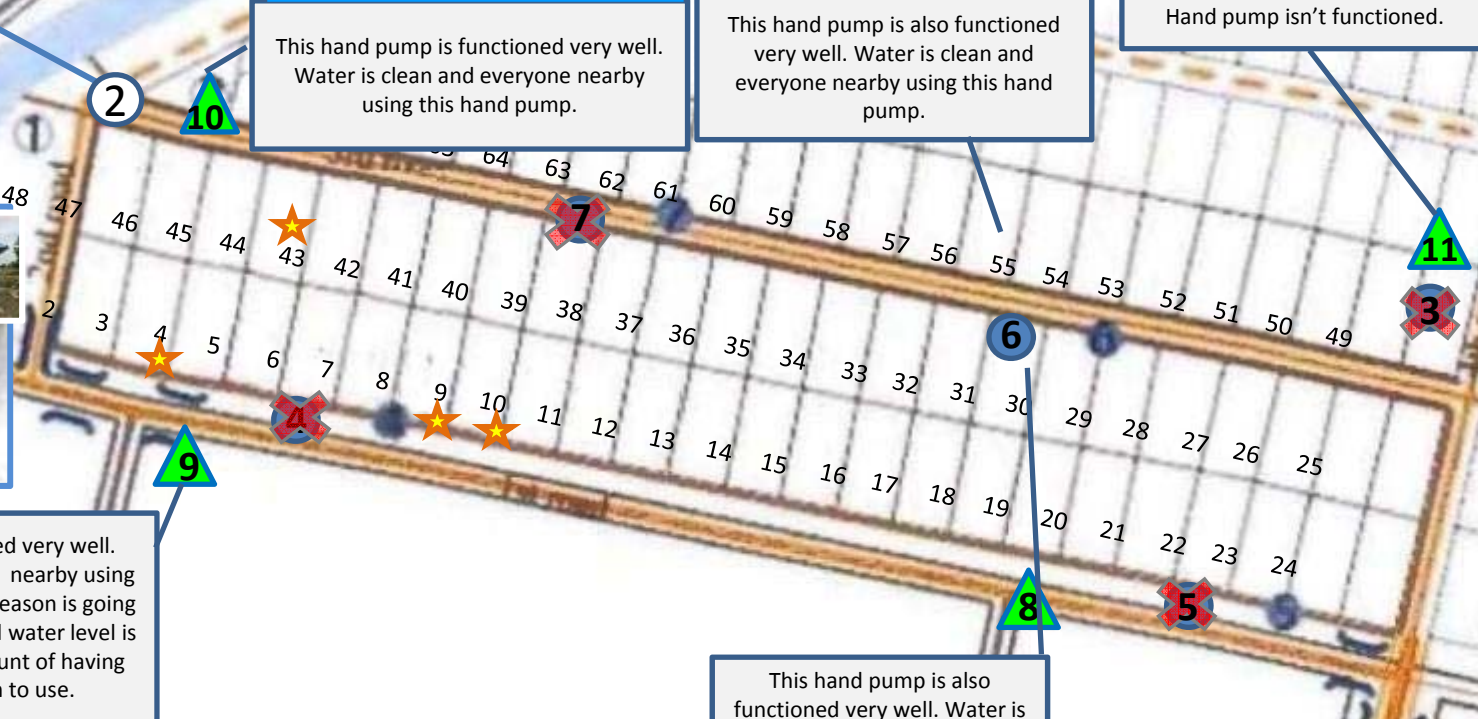

This hand pump is functioned very well. Water is clean and everyone nearby using this hand pump.

This hand pump is also functioned very well. Water is clean and everyone nearby using this hand pump.

This hand pump is also functioned very well. Water is clean and everyone nearby using this hand pump.

Hand pump isn't functioned.

This hand pump is also functioned very well. Water is clean and everyone living nearby using this hand pump. Now the raining season is going to be started and the underground water level is raising up and therefore the amount of having clean water is pretty enough to use.

This hand pump is also functioned very well. Water is clean and everyone living nearby using this hand pump. Now the raining season is going to be started and the underground water level is raising up and therefore the amount of having clean water is pretty enough to use.

- Closed Well
- New Well (Hand pump)
- Open Well
- Hand Pump
- Private Well
